TOPIC: Proposed FY2024-25 Capital Remodel Projects

ISSUE: As part of the capital projects planning process, several remodeling projects have been identified

for funding. The projects are included in the Three-Year Facilities Plan approved by the Madison

College Board on September 6, 2023.

Health Building

Dental Lab Expansion

This 3,500 square foot project will remodel the vacated Massage Therapy space adjacent to the existing dental labs and Group Health Cooperative clinic. The project will increase space for dental assistant programs, expand dental auxiliary programs, and increase capacity in the dental hygiene program is a strategic move to address the growing demand for dental services. The new dental lab area includes 15 new dental chairs, sterilization area, x-ray room, student work area, open staff work area, office, reception area, single occupant restroom, storage, and mechanical room. A portion of the project cost will be covered by the Expanding Oral Health Programming Grant from the State of Wisconsin. state grant funding (add grant name).

The estimated construction cost is \$1,500,000.

Health Building

School of Health Sciences Remodel

This 1,160 square foot remodel project will relocate the School of Health Sciences office (SOHS) adjacent to the new dental lab. In 2021, School of Health Education split into 2 schools – School of Health Sciences and School of Nursing. In Fall 2023, School of Health Sciences moved to the vacant Massage Therapy space. This move occurred to allow distinction between the School of Health Sciences and the School of Nursing. The School of Health Sciences office will shift to the east to allow Dental Assistant and Expanded Functions Dental Auxiliary programming to be closer to the current Dental Hygiene clinic space. The remodeled office suite will include a reception/waiting area, conference room, two open workstations, kitchenette, and two private offices.

The estimated project cost is \$500,000.

Health Building

Wellness Center Remodel (including student food pantry)

This 1,428 square foot remodel project is located adjacent to the main entrance at the north side of the Health Building in rooms 100A, 101, 103B, and the adjacent open seating area. The purpose of the Student Wellness Center is to support student success and assist students process of skill development and utilizing components of wellness that will enhance their ability to learn and thrive in school and beyond. The program goes beyond simply providing information and materials. It is designed to develop and present a variety of educational programs aimed at engaging the diverse Madison College student body on important personal wellness, health related topics and contribute to a healthier campus environment. The move will expand the current food pantry, improve wellness center operations, and enhance program offerings to students allowing the program to serve more students. The improved Wellness Center will be more inviting to students and offer expanded programing and food pick up. It will also allow for additional dry storage and refrigeration not available in the current space will allow a wider variety of available food items.

The estimated project cost is \$800,000.

Health Building

Nursing

This 3,029 square foot remodel project will remodel rooms 120, 122, and 124. The remodeling creates two nursing assistant labs, one with five beds and the other with four beds allowing more students to be served in this high-demand program. These first-floor nursing assistant skills labs promote easy access and security for courses frequently running evenings and weekends. Nursing assistant skills labs are also used for Headmaster State Certification Testing. Evaluators and students may not have had previous exposure to the college and the first-floor location is secure, easy to find, and has appropriate seating for students awaiting testing. An open workstation and storage room will also be created for the lab coordinator and the equipment and supplies need by the two labs.

The estimated project cost is \$600,000.

Capital equipment, including technology, instructional equipment, and furniture are not part of the construction estimates. Sufficient funds are available for these costs within the College's capital budget. Each project will meet the Americans with Disability Act (ADA) standards.

ACTION:

- 1. Approve the above remodel projects.
- 2. Authorize staff to prepare construction drawings & specifications and to send the above projects out for competitive bids.
- 3. Authorize staff to submit a request for approval each project to the Wisconsin Technical College System for Board approval.

WHEREAS, the District will cause Notices to Electors to be published in the <u>Wisconsin State Journal</u> giving notice of adoption of the Authorizing Resolution, identifying where and when the Authorizing Resolution can be inspected, and advising electors of their right to petition for a referendum on the question of the issuance of general obligation promissory notes to finance building remodeling and improvement projects and the acquisition of movable equipment;

WHEREAS, it is the finding of the District Board that it is in the best interest of the District to direct its financial advisor, PMA Securities, LLC ("PMA"), to take the steps necessary for the District to offer and sell the Notes at public sale and to obtain bids for the purchase of the Notes; and

WHEREAS, in order to facilitate the sale of the Notes in a timely manner, the District Board hereby finds and determines that it is necessary, desirable and in the best interest of the District to delegate to any one of the Chief Financial Officer/Controller or Executive Vice President Finance and Administration/Chief Operating Officer (each an "Authorized Officer") of the District the authority to accept on behalf of the District the bid for the Notes that results in the lowest true interest cost for the Notes (the "Proposal") and meets the terms and conditions provided for in this Resolution by executing a certificate in substantially the form attached hereto as Exhibit A and incorporated herein by reference (the "Approving Certificate").

NOW, THEREFORE, BE IT RESOLVED by the District Board of the District that:

Section 1. Sale of the Notes; Parameters. For the purpose of paying costs of the Project, the District is authorized to borrow pursuant to Section 67.12(12) Wisconsin Statutes, the principal sum of not to exceed THREE MILLION DOLLARS (\$3,000,000) upon the terms and subject to the conditions set forth in this Resolution. Subject to satisfaction of the conditions set forth in Section 15 of this Resolution, the Chairperson and Secretary are hereby authorized, empowered and directed to make, execute, issue and sell to the financial institution that submitted the Proposal (the "Purchaser") for, on behalf of and in the name of the District, Notes aggregating the principal amount of not to exceed THREE MILLION DOLLARS (\$3,000,000). The purchase price to be paid to the District for the Notes shall not be less than 100% nor more than 105% of the principal amount of the Notes.

Section 2. Terms of the Notes. The Notes shall be designated "General Obligation Promissory Notes, Series 2024-25D"; shall be issued in the aggregate principal amount of up to \$3,000,000; shall be dated as of their date of issuance; shall be in the denomination of \$5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and mature on the dates and in the principal amounts set forth below, provided that the principal amount of each maturity may be increased or decreased by up to \$250,000 per maturity and that the aggregate principal amount of the Notes shall not exceed \$3,000,000. The schedule below assumes the Notes are issued in the aggregate principal amount of \$3,000,000.

<u>Date</u>	Principal Amount
03-01-2025	\$1,000,000
03-01-2026	
03-01-2027	2,000,000

Interest shall be payable semi-annually on March 1 and September 1 of each year commencing on March 1, 2025. The true interest cost on the Notes (computed taking the Purchaser's compensation into account) will not exceed 5.00%. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board.

Section 3. Redemption Provisions. The Notes shall not be subject to optional redemption or shall be callable as set forth on the Approving Certificate. If the Proposal specifies that certain of the Notes shall be subject to mandatory redemption, the terms of such mandatory redemption shall be set forth on an attachment to the Approving Certificate labeled as Schedule MRP. Upon the optional redemption of any of the Notes subject to mandatory redemption, the principal amount of such Notes so redeemed shall be credited against the mandatory redemption payments established in the Approving Certificate in such manner as the District shall direct.

<u>Section 4. Form of the Notes</u>. The Notes shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as <u>Exhibit B</u> and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Notes as the same becomes due, the full faith, credit and resources of the District are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the District a direct annual irrepealable tax in the years 2024 through 2026 for the payments due in the years 2025 through 2027 in such amounts as are sufficient to meet the principal and interest payments when due.

(B) Tax Collection. So long as any part of the principal of or interest on the Notes remains unpaid, the District shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Notes, said tax shall be, from year to year, carried onto the tax roll of the District and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the District for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Notes when due, the requisite amounts shall be paid from other funds of the District then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the District, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the District may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Promissory Notes, Series 2024-25D" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Notes is fully paid or otherwise extinguished. There shall be deposited into the Debt Service Fund Account (i) all accrued interest received by the District at the time of delivery of and payment for the Notes; (ii) any premium which may be received by the District above the par value of the Notes and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Notes when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Notes when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Notes until all such principal and interest has been paid in full and the Notes canceled; provided (i) the funds to provide for each payment of principal of and interest on the Notes prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Notes may be used to reduce the next succeeding tax levy, or may, at the option of the District, be invested by purchasing the Notes as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Notes have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the District, unless the District Board directs otherwise.

Section 7. Proceeds of the Notes; Segregated Borrowed Money Fund. The proceeds of the Notes (the "Note Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above)

shall be deposited into a special fund (the "Borrowed Money Fund") separate and distinct from all other funds of the District and disbursed solely for the purpose or purposes for which borrowed. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose or purposes for which the Notes have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose(s) shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the District, charged with the responsibility for issuing the Notes, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Notes to the Purchaser which will permit the conclusion that the Notes are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The District represents and covenants that the projects financed by the Notes and the ownership, management and use of the projects will not cause the Notes to be "private activity bonds" within the meaning of Section 141 of the Code. The District further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Notes including, if applicable, the rebate requirements of Section 148(f) of the Code. The District further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Notes) if taking, permitting or omitting to take such action would cause any of the Notes to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Notes to be included in the gross income of the recipients thereof for federal income tax purposes. The Secretary or other officer of the District charged with the responsibility of issuing the Notes shall provide an appropriate certificate of the District certifying that the District can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The District also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Notes provided that in meeting such requirements the District will do so only to the extent consistent with the proceedings authorizing the Notes and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Execution of the Notes; Closing; Professional Services. The Notes shall be issued in printed form, executed on behalf of the District by the manual or facsimile signatures of the Chairperson and Secretary, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the District of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Notes may be imprinted on the Notes in lieu of the manual signature of the officer but, unless the District has contracted with a fiscal agent to authenticate the Notes, at least one of the signatures appearing on each Note shall be a manual signature. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and

directed to do all acts and execute and deliver the Notes and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The District hereby authorizes the officers and agents of the District to enter into, on its behalf, agreements and contracts in conjunction with the Notes, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Notes is hereby ratified and approved in all respects.

Section 11. Payment of the Notes; Fiscal Agent. The principal of and interest on the Notes shall be paid by Associated Trust Company, National Association, Green Bay, Wisconsin, which is hereby appointed as the District's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The District hereby authorizes the Chairperson and Secretary or other appropriate officers of the District to enter a Fiscal Agency Agreement between the District and the Fiscal Agent. Such contract may provide, among other things, for the performance by the Fiscal Agent of the functions listed in Wis. Stats. Sec. 67.10(2)(a) to (j), where applicable, with respect to the Notes.

Section 12. Persons Treated as Owners; Transfer of Notes. The District shall cause books for the registration and for the transfer of the Notes to be kept by the Fiscal Agent. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the Chairperson and Secretary shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Note surrendered for transfer.

The District shall cooperate in any such transfer, and the Chairperson and Secretary are authorized to execute any new Note or Notes necessary to effect any such transfer.

Section 13. Record Date. The 15th day of the calendar month next preceding each interest payment date shall be the record date for the Notes (the "Record Date"). Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the District at the close of business on the Record Date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the District agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations, which the Secretary or other authorized representative of the District is authorized and directed to execute and deliver to DTC on behalf of the District to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the District office.

<u>Section 15. Conditions on Issuance and Sale of the Notes</u>. The issuance of the Notes and the sale of the Notes to the Purchaser are subject to satisfaction of the following conditions:

- (a) expiration of the petition period provided for under Section 67.12(12)(e)5, Wis. Stats., without the filing of a sufficient petition for a referendum with respect to the resolution authorizing the issuance of Notes to finance building remodeling and improvement projects and the acquisition of movable equipment; and
- (b) approval by the Authorized Officer of the principal amount, definitive maturities, redemption provisions, interest rates and purchase price for the Notes, which approval shall be evidenced by execution by the Authorized Officer of the Approving Certificate.

Upon his approval of the terms of the Notes, the Authorized Officer of the District is authorized to execute the Proposal with the Underwriter providing for the sale of the Notes to the Underwriter. The Notes shall not be delivered until this approval is obtained and the referendum petition period expires as provided in (a) above.

Section 16. Official Statement. The District Board hereby directs the Authorized Officer to approve the Preliminary Official Statement with respect to the Notes and deem the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by the Authorized Officer or other officers of the District in connection with the preparation of such Preliminary Official Statement and any addenda to it or final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate District official shall certify the Preliminary Official Statement and any addenda or final Official Statement. The Secretary shall cause copies of the Preliminary Official Statement and any addenda or final Official Statement to be distributed to the Purchaser.

Section 17. Undertaking to Provide Continuing Disclosure. The District hereby covenants and agrees, for the benefit of the owners of the Notes, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Notes or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the District to comply with the provisions of the Undertaking shall not be an event of default with respect to the Notes).

To the extent required under the Rule, the Chairperson and Secretary, or other officer of the District charged with the responsibility for issuing the Notes, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the District's Undertaking.

<u>Section 18. Record Book</u>. The Secretary shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Notes in the Record Book.

Section 19. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Notes, the officers of the District are authorized to take all actions necessary to obtain such municipal bond insurance. The Chairperson and Secretary are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Chairperson and Secretary including provisions regarding restrictions on investment of Note proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Notes by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Note provided herein.

Section 20. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the District Board or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

SS25-010	Athletic Training Services for FY2024-25	The Madison College Athletic Department requires athletic training services and event coverage for all Madison College student-athletes, teams, and home intercollegiate athletic events. Services must be provided by a licensed athletic trainer who will have daily (M-F) athletic training room hours on-site at the Madison College Truax campus athletic training room. In addition, the licensed athletic trainer will provide required athletic training coverage at all home intercollegiate athletic events and for our intercollegiate sports teams (baseball, men's basketball, women's basketball, golf, men's soccer, women's soccer, softball, and women's volleyball). Athletic training services are a critically important component of the Madison College athletic program. The licensed athletic trainer will perform routine assessments and injury evaluations and oversee the rehabilitation of roughly 175 student-athletes, as needed. The licensed athletic trainer will travel with Madison College athletic teams on annual training trips and national tournaments should teams qualify. This may entail in-state and out-of-state travel. The licensed athletic trainer will perform immediate care of student-athletes at all home athletic events; an on-site licensed athletic trainer is a requirement for all officially sanctioned intercollegiate athletic contests.
